Virginia Sheriffs' Institute Programs

Assisting families of law enforcement officers killed in the line of duty

The Virginia Sheriffs' Institute (VSI) assists families of deputies or sheriffs killed in the line of duty, in an effort to relieve personal and community distress relating to such incidents.

Virginia Sheriffs' Scholarship Program

Begun in 1981, one of our most rewarding programs is providing scholarships to students throughout Virginia who major in criminal justice at a Virginia college or university. With the help of loyal members like you, we awarded 94 scholarships for the 2019-2020 academic year to Virginia's youth.

Promoting public safety and crime prevention, and supporting our education programs for Sheriffs and Deputies

VSI sponsors numerous programs and seminars each year including a spring and fall educational conference for sheriffs and deputies. These efforts are essential to improve the training for public safety officers.

In addition, VSI provides a certification program, training for newly elected sheriffs and lawful employment training, among other programs.

Each of our programs is vital to promoting the safety of Virginia residents and ensuring our officers are fully prepared and equipped with the training they need to effectively safeguard our communities.

The Virginia Sheriffs' Institute never asks for donations by telephone.

Funds raised by the VSI are used solely to promote professionalism and advance good law enforcement in our community and throughout Virginia. The Virginia Sheriffs' Institute is a 501(c)(3) charitable organization as recognized by the Internal Revenue Service. Your contribution is tax-deductible as allowable by law.
