Scheduling Fleet DNB 9.19.25[661.xlsm

Southeast Government Customers,

I hope everyone is enjoying football season and looking forward to fall weather, whenever it decides to arrive!

The remaining 26MY vehicles have official order bank timing. For the production windows that are not published, I would expect very late 4Q/early1Q for initial scheduling.

Order Bank Summary

COMMERCIAL ALLOCATION INFORMATION (Full Model Year ordering information)
